SUMMER FOOD SERVICE PROGRAM FOR CHILDREN: SITES, SPONSORS ANNOUNCED

The Nebraska Department of Education Nutrition Services today announced sites where all children may receive free meals this summer.

The program is sponsored and funded by the U. S. Department of Agriculture (USDA) Summer Food Service Program.

USDA's Summer Food Service Program provides healthy meals to children 18 years of age and younger when school is not in session. The meals are free of charge. The summer meals provide children the nutrition they need to learn, play and grow during their summer vacations when meals at their schools are not available. The program helps children get a better start once the new school year begins.

In accordance with the Federal law and the U.S. Department of Agriculture policy, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, age, or disability. To file a complaint of discrimination, write USDA, Director, Office of Civil Rights, 1400 Independence Avenue, SW, Washington, D.C. 20250-9410 or call toll free (866) 632-9992 (voice). Individuals who are hearing impaired or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339; or (800) 845-6136 (Spanish). USDA is an equal opportunity provider and employer.
